## BOOK SYNOPSIS

Three novels from New York Times bestselling author Charles Martin now available in one e-book collection. When Crickets Cry A man with a painful past. A child with a doubtful future. And a shared journey toward healing for both their hearts. It begins on the shaded town square in a sleepy Southern town. A spirited seven-year-old has a brisk business at her lemonade stand. But the little girl's pretty yellow dress can't quite hide the ugly scar on her chest. Her latest customer, a bearded stranger, drains his cup and heads to his car, his mind on a boat hes restoring at a nearby lake. The stranger understands more about the scar than he wants to admit. And the beat-up bread truck careening around the corner with its radio blaring is about to change the trajectory of both their lives. Before its over, theyll both know there are painful reasons why crickets cry . . . and that miracles lurk around unexpected corners. Chasing Fireflies They have one summer to find what was lost long ago. "Never settle for less than the truth," she told him. But when you dont even know your real name, the truth gets a little complicated. It can nestle so close to home its hard to see. It can even flourish inside a lie. And as Chase Walker discovered, learning the truth about who you are can be as elusive—and as magical—as chasing fireflies on a summer night. A haunting story about fishing, baseball, home cooking, and other matters of life and death. Wrapped in Rain An internationally famous photographer, Tucker Mason, has traveled the world, capturing things other people don't see. But what Tucker himself can't see is how to let go of the past and forgive his father. On a sprawling Southern estate, Tucker and his younger brother, Mutt, were raised by their housekeeper, Miss Ella Rain, who loved the motherless boys like her own. Hiring her to take care of Waverly Hall and the boys was the only good thing their father ever did. When his brother escapes from a mental hospital and an old girlfriend appears with her son and a black eye, Tucker is forced to return home and face the agony of his own tragic past. Though Miss Ella has been gone for many years, Tuck can still hear her voice—and her prayers. But finding peace and starting anew will take a measure of grace that Tucker scarcely believes in. , Mutt, were raised by their housekeeper, Miss Ella Rain, who loved the motherless boys like her own.
