BOOK SYNOPSIS

Mulligans, holes-in-one, men vs. women, impossible shots... the best way to deal with your golf addiction is to laugh at it: * One day, a man came home and was greeted by his wife dressed in a very sheer nightie. Tie me up, she purred, and you can do anything you want. So he tied her up and went golfing. * Did you hear the one about the wife who got hit in the head with a golf ball on the first hole and died? The husband was so distraught he only played the front nine. * Q: Whats the difference between a car and a golf ball? A: Tiger can drive a ball 400 yards. * Wife: You think so much about your golf game you dont even remember when we were married. Husband: Of course I do, dear. It was the day I sank that thirty-foot putt. * The difference between golf and tennis is that tennis is murder -- you just want to kill the other player -- but golf is suicide -- you just want to kill yourself.
