BOOK SYNOPSIS

Our dogs are our best friends. They are always happy to see us. They comfort us in our times of need. They also eat our shoes, stain our carpets, and embarrass us in front of our guests. Based on the runaway web phenomenon, Dog Shaming features hilarious and adorable photos of petulant pups accompanied by notes detailing their misdeeds: waking sleeping babies, eating vomit, chasing postmen, unplugging alarm clocks, peeing on stuff, etc. So share in the shaming and laugh through your frustration as Dog Shaming reminds us that unconditional love goes both ways.
