## BOOK SYNOPSIS

The pediatrics clerkship survival guide written by students who aced the clerkship. This powerful review for the pediatrics clerkship provides medical students taking required rotations with a single, concise, high-yield resource for excelling on the boards and wards. Hundreds of high-yield facts--written by students and based on the clerkships core competencies--review everything students need to know for the clerkship. Margin notes highlight common exam and "pimp" questions to really help students shine. New to this edition, mini-cases are integrated throughout to give a clinical "face" to disease discussions. A section of "classifieds" include scholarship and award opportunities. A new color insert contains 4 pages of full color images to amplify the text.
