## BOOK SYNOPSIS

The other hens in Farmer Brown's Tennessee henhouse think that Starlight LaPoule - (hush! Her real name is Ethel Fae Klucksworth) - is short a few feathers. They may be right. For Starlight is a chicken with a ridiculous dream. She wants to become a high-fashion model in Paris or Milan. And with the surprise help of her very own chicken fairy godmother, anything is possible. Or is it? With antic illustrations by renowned cartoonist George Booth, Harry Allard's funny story about a hen with outsize expectations is sure to crack up even the most hard-boiled of readers.

**STARLIGHT GOES TO TOWN** - Are you looking for Ebook Starlight Goes To Town? You will be glad to know that right now Starlight Goes To Town is available on our online library. With our online resources, you can find Applied Numerical Methods With Matlab Solution Manual 3rd Edition or just about any type of ebooks, for any type of product.

Best of all, they are entirely free to find, use and download, so there is no cost or stress at all.
