BOOK SYNOPSIS

Featuring a mysterious society, a secretive past, and a pig in a teeny hat, *The Explorers: The Door in the Alley* is the first book in a new series for fans of *The Name of This Book Is a Secret* and *The Mysterious Benedict Society*. Knock once if you can find it—but only members are allowed inside. This is one of those stories that start with a pig in a teeny hat. It's not the one you're thinking about. (This story is way better than that one.) This pig-in-a-teeny-hat story starts when a very uninquisitive boy stumbles upon a very mysterious society. After that, there is danger and adventure; there are missing persons, hired thugs, a hidden box, a lost map, and famous explorers; and there is a girl looking for help that only uninquisitive boys can offer. *The Explorers: The Door in the Alley* is the first book in a series that is sure to hit young readers right in the funny bone. "In this wildly funny adventure,...animals in teeny hats, Wonderland-style logic, and loads of wordplay and sarcasm will keep readers giggling all the way through."-Kirkus Reviews "Exhilarating....Fans of a Series of Unfortunate Events will be drawn to this."—Booklist
